

Emotional Intelligence

Seize the Power of Emotional Intelligence - Your Power to:

- ⇒ Make wise decisions
- ⇒ Influence others
- ⇒ Live with authenticity
- ⇒ Achieve your personal goals
- ⇒ Enhance interpersonal skills
- ⇒ Manage conflict
- ⇒ Manage stress

Now, more than ever, leaders, organizations, and individuals need an understanding and application of Emotional Intelligence (EI) to increase effectiveness under pressure, enhance creativity, improve and guide their thinking, and maximize human capital. To succeed in today's chaotic and changing world, you have to understand yourself and how you interact with others. Focusing on the skills that comprise Emotional Intelligence enables you to engage the minds and hearts of others, make excellent decisions, and attain and sustain a path of excellence and ethics. The result: truly align your core values with your actions to achieve worthwhile and meaningful results.

Southeast Coast IPMA-HR Chapter Information

The Chapter's official title is SE COAST Massachusetts and was chartered in 2004 as a local chapter of the International Public Management Association for Human Resources (IPMA-HR). It was established by Public Sector Human Resources Professionals from Southeastern Massachusetts who were looking for an effective method to network, share information, and use a regional approach to provide professional development opportunities for themselves and their organizations.

This chapter represents the Southeastern portion of Massachusetts including the following counties: Barnstable, Bristol, Dukes, Nantucket, Norfolk and Plymouth.
